

Mars potentizes the imagination, as seen in the artwork of my daughter.

Mars

empowers intuition, nurturing & birthing to help meet the challenges of these times

This essence was made August 27th, 2003 when the planet Mars made its closest approach to the Earth in an estimated 60,000 years. The event was called an opposition, meaning the Sun, the Earth and Mars formed a straight line, with the Earth in the middle. Opposition occurs every 26 months when Mars and Earth are closest together. Because Mars and the Earth make elliptical orbits around the Sun, the proximity of the Earth and Mars change. August 27, 2003 was also the beginning of the moon cycle, or "New Moon."

It is the time
for the Mother to return in her power and strength,
and Mars has come to potentize this.

There is a weathering
that must occur in each human
in order that the soul
may come into its right relationship with the all of life.
This can create emergency, struggle, and competition
that cause the soul to expand.....
reach out.....
strive.....
and elevate to new and previously unattainable heights.
As Mars brings its potent fire into the Earth on this New Moon,
it offers us a dramatic energy for change and evolution.
This will especially empower the feminine areas
of intuition, nurturing, and birthing.
It is time for a new age.....
for the return of higher wisdom and the strength of the pure to return.

This is an essence
for meeting the battles of these times
with strength, wisdom, and resource.....
for the knowing
that we have everything we need
and the information will always be provided at the appropriate time.....
the essence for walking forward with strength and confidence
and doing the right thing.
There is no compromise here.
Stand tall and move, quickly if needed.

You will be guided.
You will be supported.
You will weather your storms.
Your trials will only serve to bring you more clarity, more strength.

Open your heart to the Mother
and receive.
She has been kissed by Mars.
She is strong.
She is potent.
Align your self with her power
as she stands tall in the strength of this essence.
