

Beauty Bush

for overly dependent behavior... supports development of self-confidence and appropriate maturity, while rooting practicality and perseverance.

The Beauty Bush essence
aids those with a natural optimism and trusting nature
to develop a deeper attunement
to their own needs,
both practical and spiritual.
It helps them to understand
that what they manifest in this world
depends on their conscious, centered efforts.
It helps them to develop a deeper trust
in themselves and their ability to handle the day-to-day chores
that help bring order to their lives
and that serve as a foundation
for greater stability and self-reliance.

The good and sweet nature
of those who need Beauty Bush
can be overly dependent
on the good nature of others to support them
as they joyfully explore their many interests and pleasures.
Their optimistic, fun way of experiencing the world
makes others eager to be around them.
The Beauty Bush helps to mature and deepen
their already intuitive abilities
to seek a co-creative partnership with the Spiritual World,
assuming more self-responsibility and commitment
to career, relationships, and practicality in finances.

Beauty Bush essence helps to bring dreams to a place of accessibility
by teaching the personality the value of clear goals
that require concentration of effort, practical time tables,
and good road maps or detailed plans.
Beauty Bush embraces joy and optimism with practicality and perseverance.
It is through this gift of a strong rooting in the physical world
that our soul-inspired dreams can manifest
and bless this world with their awesome beauty.
